

Cleaning Service Monitoring and Evaluation System

User Guide

1. Introduction

The Cleaning Service Monitoring and Evaluation System is a web-based application developed to manage, monitor, evaluate, and approve cleaning services performed across university locations.

The system enables:

- User management
 - Location management
 - Task assignment
 - Cleaning service evaluation
 - Administrative review
 - Payment recommendation
 - Vice Chancellor approval
 - Report generation and printing
-

2. User Roles

The system contains five user roles:

2.1 General Administration Officer (GAA)

Responsibilities:

- Manage users
- Manage locations
- Manage location tasks
- Assign officers to locations
- Maintain system settings
- View reports

Accessible Menus:

- Dashboard
- Users
- Locations
- Location Tasks
- Assignments
- Settings
- Reports

2.2 Evaluating Officer

Responsibilities:

- Conduct cleaning service evaluations
- Submit evaluation reports
- View evaluation history

Accessible Menus:

- Dashboard
 - Evaluations
 - Evaluation History
-

2.3 Administration Officer

Responsibilities:

- Review submitted evaluations
- Verify or reject evaluations
- Create payment recommendations
- View reports

Accessible Menus:

- Dashboard
 - Admin Review
 - Payment Recommendation
 - Reports
-

2.4 Vice Chancellor

Responsibilities:

- Review payment recommendations
- Approve or reject recommendations
- View reports

Accessible Menus:

- Dashboard
 - VC Approval
 - Reports
-

2.5 Finance Officer

Responsibilities:

- View approved reports
- Print reports

Accessible Menus:

- Dashboard
 - Reports
-

3. System Workflow

The system follows the workflow below:

General Administration Officer

Create Users

Create Locations

Assign Tasks

Assign Officers

Evaluating Officer

Perform Evaluation

Submit Evaluation

Administration Officer

↓

Review Evaluation

↓

Create Payment Recommendation

↓

Vice Chancellor

↓

Approve Recommendation

↓

Generate Report

Print Report

↓

Send to Finance Department

4. User Management

Purpose

Manage system users and their roles.

Procedure

1. Navigate to Users.
2. Click Create User.
3. Enter:
 4. Full Name
 5. Email Address
 6. Password

7. User Role
8. Click Save.

The user can now access the system using the assigned credentials.

5. Location Management

Purpose

Manage university locations monitored by the cleaning service.

Procedure

1. Navigate to Locations.
 2. Click Add Location.
 3. Enter:
 4. Location Code
 5. Location Name
 6. Minimum Required Workers
 7. Click Save.
-

6. Location Task Management

Purpose

Assign cleaning tasks to specific locations.

Procedure

1. Navigate to Location Tasks.
 2. Select a Location.
 3. Select Tasks.
 4. Save the assignment.
-

7. Officer Assignment

Purpose

Assign evaluating officers to locations.

Procedure

1. Navigate to Assignments.
2. Select a Location.
3. Select an Evaluating Officer.
4. Save.

The officer can now perform evaluations for the assigned location.

8. Evaluation Process

Purpose

Record cleaning performance.

Procedure

1. Login as Evaluating Officer.
2. Navigate to Evaluations.
3. Select:
 4. Location
 5. Evaluation Month
 6. Evaluation Year
 7. Complete task evaluations.
8. Select result:
 9. P (Pass)
 10. X (Fail)
 11. NA (Not Applicable)
12. Submit the evaluation.

The system calculates the completion percentage automatically.

9. Evaluation History

Purpose

Review previously submitted evaluations.

Procedure

1. Navigate to Evaluation History.
2. Select a report.

3. View evaluation details.
-

10. Administrative Review

Purpose

Verify submitted evaluations.

Procedure

1. Login as Administration Officer.
2. Open Admin Review.
3. Select a submitted evaluation.
4. Review results.
5. Enter remarks.
6. Choose:
7. Approve
8. Reject

Approved evaluations proceed to payment recommendation.

11. Payment Recommendation

Purpose

Calculate recommended payment amounts.

Formula

Recommended Payment = Contract Amount × Completion Percentage

Example:

Monthly Contract Amount = Rs. 100,000

Completion Percentage = 87.05%

Recommended Payment = $100,000 \times 87.05\%$

Recommended Payment = Rs. 87,050

Procedure

1. Open Payment Recommendation.

2. Select a verified evaluation.
 3. Review completion percentage.
 4. Create recommendation.
-

12. Vice Chancellor Approval

Purpose

Approve or reject payment recommendations.

Procedure

1. Login as Vice Chancellor.
2. Open VC Approval.
3. Review recommendation details.
4. Enter remarks.
5. Select:
 6. Approve
 7. Reject

Approved recommendations become available in Reports.

13. Reports

Purpose

Generate final evaluation reports.

Procedure

1. Navigate to Reports.
2. Select an approved report.
3. Review:
 4. Evaluation details
 5. Completion percentage
 6. Recommended amount
 7. Administrative remarks
 8. VC remarks
9. Click Print Report.

The printed report can be forwarded to the Finance Department.

14. Dashboard

The dashboard displays system statistics including:

- Total Users
 - Total Locations
 - Total Evaluations
 - Pending Reviews
 - Pending VC Approvals
 - Approved Reports
-

15. System Settings

Purpose

Maintain system-wide contract amount information.

Procedure

1. Login as General Administration Officer.
2. Open Settings.
3. Update the Monthly Contract Amount.
4. Save changes.

The updated amount will be used for future payment recommendations.

16. Logout

To securely exit the system:

1. Click the user profile.
2. Select Logout.

The system returns to the login page.
